QUIET
The sound reduction pad provides comfort underneath your feet for any active lifestyle. Easy and cost-efficient installation with premium pad attached.

IMPACT RESISTANT
Our superior finish is safe for everyday lifestyle. It protects from scuffs and scratches.

ECO-FRIENDLY
Choosing Density Ocean View means opting for a product that looks good, lasts long, and prioritizes the planet. It's a choice that reflects a commitment to environmental stewardship, without sacrificing the aesthetic and functional needs of your space.

Waterproof

Density Ocean View is made with a premium waterproof core and surface wear layer to provide waterproof topical protection. It is easy to maintain unlike hardwood floors.

Sound Absorption

The attached premium acoustic underlayment is made from sound dampening high-performance cross-linked foam. It is designed for supreme sound reduction, shock absorption, mold & mildew resistance.

Residential Maintenance

Damp mop with a neutral floor cleaner followed by rinsing with clean water when floor has become too dirty for spot cleaning. See maintenance sheet for full instructions.

Images are intended as visual guidelines and may not be a complete representation of the floor. Flooring designs may include open and filled knots, color variations, and variations in grain. Every collection provides us with unique characteristics and the newly installed floor may vary a bit from samples or pictures shown. Before installation, always check and approve the flooring material. During installation mix 2-3 cartons for best results.
